

**Moultonborough School District
2021-2022 E-rate Form 470 Category 1**

Category 1: Data Transmission and/or Internet Access

Overview of Moultonborough School District Network

Moultonborough School District network supports and manages 500 iPads in a 1:1 program, 120 MacBooks in an Aerohive wireless network, HP POE+ switches and Mosyle MDM. The network spans two buildings including 6 data closets connected by fiber. Additionally, the network supports personal devices for staff and a free public WIFI after school hours

The district network consists of two buildings: Moultonborough Central School (MCS) & Moultonborough Academy (MA). The Central School has one MDF (main switching closet) and one IDF (secondary switching closet). Moultonborough Academy has one MDF (main switching closet) and three IDF's (secondary switching closet). HP/Aruba switches are used throughout the district.

Proposal Process

Submit questions via email to Etienne Vallée (Director of Technology, evallee@sau45.org) & Todd Clifford (Network Administrator, tclifford@sau45.org).

Award will be the most cost-effective solution that best meets the needs and protection of our network. Price will be the most heavily weighted factor but other factors may include flexibility, capability and service. All bids must have the ability to work with existing equipment or equivalent. Bidders must have an understanding of the E-rate modernization program, and E-rate Category 1 requirements specifically, a valid Service Provider Identification Number (SPIN) and include this information in the bid. Anticipated start date of this project is July 1st, 2021. The execution of this project is contingent on Board of Education approval of local budget and approved E-Rate funding from USAC.

Project Overview (Summary)

The Moultonborough School District seeks pricing to provide multi-year dedicated internet access (DIA) coming into the Moultonborough Central School building at 916 Whittier Highway. The Districts seeks two bid options, one for 1 line at 1Gbps, the other for 1 line at 2Gbps. Both options should be for a length of time no less than 1 year (12 months) and no more than three years (36 months). This DIA is shared via SingleMode 10GB fiber to another building in the district. The District's current DIA contract ends on June 30, 2021.

Vendor should specifically note any non-E-Rate eligible items when presenting a quote. Installation, configuration, and activation should be specifically described and enumerated. Maintenance and technical support should likewise be described and enumerated

District/School Health and Security Policies must be observed at all times while on campus.

TERMS AND CONDITIONS

One (1) clearly identified sealed original of your proposal is required for district evaluation. It should be loosely bound. All responses must have the bid name **"Moultonborough School District Dedicated Internet Access"** notated on the outside of the sealed package. When possible, proposals should contain a signature & date line to allow for acceptance of proposal.

Submission packages should be prepared simply and economically, providing a straightforward, concise

description of the respondent's ability to fulfill the requirements of this solicitation and that satisfies the requirements of this Request for Proposal.

Per FCC rules, vendors must offer the Lowest Corresponding Price when submitting proposals. Lowest Corresponding Price (LCP) is defined as the lowest price that a service provider charges to nonresidential customers who are similarly situated to a particular E-rate applicant for similar services.

The Moultonborough School District prefers to use USAC's Invoice Method #2, FCC Form 474 (Service Provider Invoice (SPI) Form) for billing and invoicing.

AWARD:

The award shall be made to the responsible and responsive bidder whose bid is determined to be the most advantageous to the District based on (but not limited to) the following evaluation criteria. The awarding authority is the Moultonborough School District Board, which reserves the right to select the bid which, in its totality, is in the best interest of the District.

Factor	Points
Competitive Pricing	60
Quality of Response	20
Prior Experience with Federal E-Rate program	10
References	10
Total	100

GENERAL INFORMATION:

There is no expressed or implied obligation for the District to reimburse responding firms for any expenses incurred in preparing proposals. The District reserves the right, where it may serve the District's best interest, to

- request additional information or clarification from bidders that might be required to adequately evaluate credentials and qualifications or to allow correction of errors or omissions.
- reject, in whole or part, any or all proposals and to accept deviations from the requirements of this Request for Proposals
- retain all proposals submitted and to use any ideas in a proposal regardless of whether that proposal is selected.

Submission of a proposal indicates acceptance by the firm of the conditions contained in the Request for Proposals, unless clearly and specifically noted in the proposal submitted and confirmed in any resulting contract between the District and the firm selected. Each respondent is solely responsible for the timely delivery of its package by the deadline stated above. The Moultonborough School Board through its appointed designee is the awarding authority and reserves the right to accept and/or reject any proposal and shall determine the most advantageous proposal from a responsible, responsive, and eligible vendor.

The Price Proposal should include:

- Itemized Bill of Materials with pricing
- Certificate of non-collusion
- Reference List of at least three (3) organizations (School District's preferred) similar in magnitude, which the vendor has been awarded in the past five (5) years
- Scope of work for installation, including possible dates and timeline

Any proposal which does not contain the requested documents may be rejected as non-responsive.
